**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents listed on the attached PTO-1449. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application.

A copy of each listed document is attached. Applicant respectfully requests that the Examiner consider the listed document and evidence that consideration by making appropriate notations on the attached form. The following are listed on the accompanying PTO-1449 and are in a language other than English.

a. JP 7-270624 A The relevance of this document is shown in the attached English-language abstract and can be understood from the discussion at page 2 of the specification of the present application.

b. JP 7-27137 B2 The relevance of this document is shown in the attached English-language abstract and can be understood from the discussion at page 3 of the specification of the present application.

c. JP 9-160035 A The relevance of this document is shown in the attached English-language abstract and can be understood from the discussion at page 4 of the specification of the present application.

d. JP 5-6401 U The relevance of this document is shown in the attached English-language abstract and can be understood from the discussion at page 4 of the specification of the present application.

e. JP 8-179322 A The relevance of this document is shown in the attached English-language abstract and can be understood from the discussion at page 4 of the specification of the present application.

Also enclosed is a search report from the Japanese Patent Office from the PCT application from which this National Phase U.S. Application is derived, citing the remaining documents, setting forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If it should be determined that the listed document does not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-0310.

Respectfully submitted,
